**Pilgrim Home & Hearth Unveils Award Winning
“Solera”
Contemporary Fireplace Screen & Tool Set**

(Benicia, CA) - Pilgrim is pleased to present the stunning new Solera freestanding fire screen and tool set collection. Built from high grade steel components and plated with a luxurious brushed satin-nickel finish, its the perfect blend of form and function. Designed for discriminating homeowners seeking to create a unique focal point by turning the fireplace into a showplace. The attention grabbing Solera comes with a Lifetime Warranty and is another example of how Pilgrim is helping define the future of fireplace fashion.

Pilgrim Home & Hearth is a global supplier of fireplace accessories and has been at the center of the hearth for over 60 years. Pilgrim markets its products under the brand names of Pilgrim®, Smithsonian Collection®, and Napa Forge®. Our broad selection of robust, hand-forged steel products is appreciated by those who yearn for the virtues of quality craftsmanship and lasting materials. Products can be purchased through regional distributors and over 750 specialty retailers across North America. For more information please visit www.PilgrimHearth.com

Request for product images and interviews are invited and welcomed.
